

CLEAN UP DAY

AT

SQUAM LAKES NATURAL SCIENCE CENTER

Saturday, April 24

9 a.m. - 1 p.m.

Spring and our annual Clean Up Day will be here soon! Celebrate Earth Day by helping staff clean up the trails and grounds for our May 1 opening day and wake up Kirkwood Gardens. Most work is outdoors and there are staining projects too, so dress appropriately. Extra leaf rakes, metal rakes, and work gloves are helpful too. A complimentary picnic lunch will be provided at noon. Groups welcome!

Contact Volunteer Coordinator Carol Raymond for more information or to sign up at 603-968-7194 x 22 or carol.raymond@nhnature.org.
