Introducing the NH HOBY Alumni Spotlight. Starting this month, this golden sidebar will highlight Outstanding activities of NH HOBY Alumni. **We are asking parents and ambassadors to tell us what you're up to!**

We need to know who is doing OUTSTANDING things, so send us an email if you know of any Alumni who are up to something Outstanding. There will even be a dedicated section on the website to honor all alumni in the spotlight!

We will also be having an Alumni Spotlight Special in June to display what plans the 2009 alumni have for after high school.

Please be sure to post your post secondary education plans on the NH HOBY Facebook Fan Page before May 28th.

Leadership for Service (L4S) Hours:

The importance of registering online as an alumni and logging hours is that it shows a level of commitment that can be printed and recorded and used to receive grant money. Only nineteen of the 2009 alumni have more than 100 hours; only about twenty of the 2010 ambassadors have registered and logged hours. **It is very important that you create an account and enter all community service hours, even after you have reached the 100 hour goal.**

To do so, just go to:

<https://reg.hoby.org/HOBYL4S/>

Login and enter your hours.
